2013-2014 Fee Definitions

Matriculation Fee

Classification: State Fee

Purpose: "Tuition," or matriculation, means the basic fee charged to a student for instruction provided by a public postsecondary educational institution in this state. Except as otherwise provided by law, undergraduate tuition shall be established annually in the General Appropriations Act. The sum of tuition and out-of-state fees assessed to nonresident students must be sufficient to offset the full instructional cost of serving such students.

Tuition Differential Fee

Classification: State Fee

Purpose: "Tuition differential" means the supplemental fee charged to a student for instruction provided by a public university in this state pursuant to 1s. 1009.24(15). The fee is to be used to support undergraduate educational programs and services.

Financial Aid Fee

Classification: State Fee

Purpose: A university board of trustees is authorized to collect, for financial aid purposes, an amount not to exceed 5 percent of the tuition and out-of-state fee. The revenues from fees are to remain at each campus and replace existing financial aid fees.

Capital Improvement Fee

Classification: State Fee

Purpose: Exists to provide educational and support facilities for students, faculty and staff in a manner that maximizes the effectiveness of the capital investment, maximizes the use of existing facilities, and promotes orderly, planned campus development.

Athletics Fee

Classification: Local Fee

Purpose: The athletics fee is assessed to supplement the universities diverse athletic programs as well as to provide students with a means to enjoy the universities athletic events without direct cost to the student. Athletic fees help to fund programming for student used athletic spaces, such as the IM Sportsplex, Leach Center, and Tully Gym.

2013-2014 Fee Definitions

Activities and Services Fee

Classification: Local Fee

Purpose: Activities and services fees support the mission of several student-driven organizations. These funds support student governing boards and programs, and are allocated to student organizations to improve services directly related to student activities.

Health Fee

Classification: Local Fee

Purpose: Health fees help to fund programming that promotes healthy lifestyle choices, and allows students to use the campus-based Health and Wellness Center with little to no direct cost to the student.

Transportation Access Fee

Classification: Campus Fee

Purpose: All students are assessed a transportation access fee which funds the campus parking permit, the use of city bus routes, parking lot lights and maintenance, and the creation of additional parking and transportation services. Students with vehicles may obtain their parking permit at no additional charge on-line at FSU Transportation Services.

Student Facilities Use Fee

Classification: Campus Fee

Purpose: The Student Facilities Use Fee, is assessed to main campus students for the purpose of constructing/renovating campus facilities for student services. In accordance with SGA's request, initial revenues will be used to construct a Health and Wellness Center.

FSUCard Term Fee

Classification: Card Fee

Purpose: The FSUCard term fee is assessed to main campus students for Fall, Spring or Summer semesters at a rate of \$5 per term but not totalling more than \$10 annually.

Technology Fee

Classification: Campus Fee

Purpose: The technology fee is assessed to all students and funds the maintenance and expansion of University technology services, including the continued support of the Blackboard learning environment, and the expansion of wireless capabilities and services.
