

Travel: Making a Travel Reservation

Purpose: The purpose of this guide is to assist the user in booking a trip in Concur's travel module.

Accessing the Travel Module

Click **Travel** if you are booking travel for yourself, or acting as a Delegate to book travel for someone else. If you are booking for another user, verify you have delegated in as them and their name appears in the upper right.

The screenshot shows the Concur web application interface. At the top, there is a navigation bar with tabs for 'Requests', 'Travel', 'Expense', and 'Approvals'. The 'Travel' tab is highlighted with a red box, and a red arrow points to the 'Administration' dropdown menu in the top right corner, which shows 'Acting as Fernandez, Charles A'. Below the navigation bar, the user's name 'Fernandez, Charles A' is displayed, along with several summary cards: '+ New', '01 Required Approvals', '01 Authorization Requests', '16 Available Expenses', '01 Open Reports', and '02 Cash Advances'. The main content area is divided into three sections: 'TRIP SEARCH' with a search form for flights and trains; 'COMPANY NOTES' with a link to a training toolkit and a welcome message from World Travel Service; and 'TASKS' which lists three items: '01 Required Approvals' (for Oriana V.), '16 Available Expenses' (listing Amazon.com and Ticketmaster purchases), and '01 Open Reports' (for a test report).

1. Select Round Trip, One Way, or Multi City, enter the **From** and **To** destination, and departure and return dates/times and click **Search**. If flying to/from Tallahassee or other smaller airports, we recommend un-checking the Flights w/no double connections box in order to display more options.

- 2. Review the flight availability and select a flight. Flights can be viewed by Fares, or by Schedules, and can be filtered using the Sort-By options.

The screenshot shows a flight search interface. At the top, there are two tabs: 'Shop by Fares' (highlighted with a red box) and 'Shop by Schedule'. Below the tabs is a search bar with 'Flight Number Search' and a magnifying glass icon. To the right of the search bar is a 'Sorted By:' dropdown menu set to 'Price - Low to High' (also highlighted with a red box). On the far right, it says 'Displaying: 144 out of 144 results.' and 'Previous | Page: 1 of 15 | Next | All'. The main content area shows two flight options for Delta. Each option includes a Delta logo, a flight path (TLH to LHR to TLH), stop information (1 stop ATL), and total flight time (20h 05m and 31h 26m). A blue button with the price '\$1,145.56' is visible for each flight. Below each flight option, it says 'Preferred Airline for The Florida State University' and 'Show all details'.

- 3. Slide bars on the left of the screen enable you to filter search results by departure/arrival times, and price. **Click on the price to select your flight.**

The screenshot shows three filter sliders. The first is for 'Depart - Mon, Dec 4' with a range from 05:50 A to 01:25 P. The second is for 'Return - Fri, Dec 8' with a range from 12:10 P to 02:15 P. The third is for 'Price' with a range from \$1,145.56 to \$2,853.06.

This screenshot is similar to the one above, but the 'Price' filter slider is now active, and the '\$1,145.56' price button for the first flight option is highlighted with a red box. The 'Sorted By:' dropdown is still set to 'Price - Low to High'. The rest of the interface, including the flight details and 'Preferred Airline' text, remains the same.

- Review the flight details and traveler information. If this is the flight you wish to book, you may select your seat assignment at this time by clicking **Select Seats**. **Please note that FSU will not reimburse any fees associated with seat selection. Fees, if any, vary by airline.**

i Remember Your Passport Your international travel will require passport or other government-issued identification. Remember to bring your identification with you on your day of travel.
