Over the next couple of months, the university will transition to JP Morgan as the new service provider of our PCard and TCard programs. Our records indicate that you currently have a PCard and/or TCard, and you will be receiving a replacement card as part of this transition.

One of the benefits of the new provider is that cards will now be shipped directly to each employee's mailing address and will no longer need to be picked up at the University Center.

To support a smooth transition and to ensure no lapse in service we ask that you please confirm your mailing address on file with the university no later than **February 20, 2026**.

To verify your mailing address, log in to the MyFSU portal, click **MY INFO** in the top banner, and confirm that your mailing address is correct or update it if needed.
