

# OMNI Auxiliary AR/Billing: Facilities

## Placing an Order

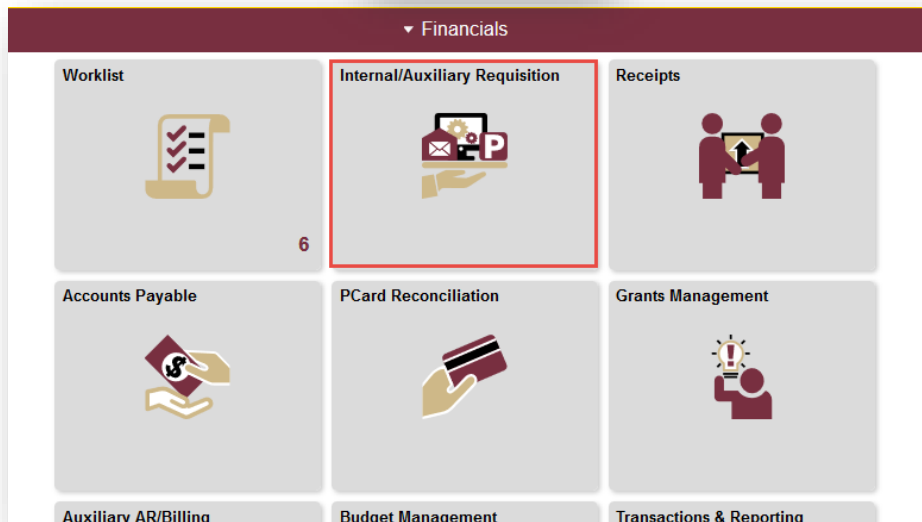

FSU's Facilities department provides services to FSU departments for maintenance and repairs, utilities, waste management, custodial, lease, and other activities.

Place all orders through the Facilities Work Order process. For more information, please visit the [Facilities website](#). Please be aware that a Purchase Order serves to encumber funds and enable internal charges. **A Purchase Order does not serve to place an order with this or any selling auxiliary.**

## Creating a Requisition

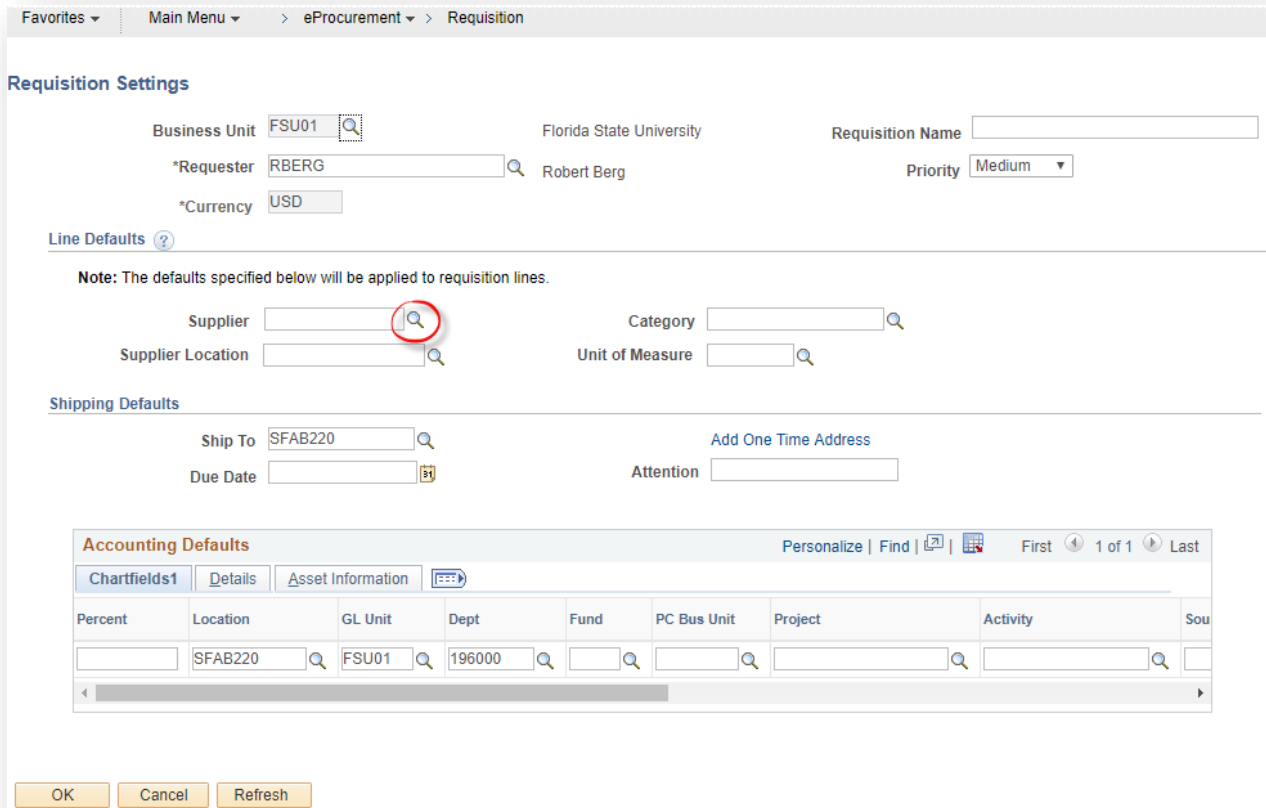

This requisition is very much like other blanket purchase orders departments are accustomed to. Review the below step-by-step guide to ensure the appropriate vendor and categories are selected.

1. Determine your requisition amount as described separately on the [Controller's Office Auxiliary Services training materials page](#). Your department's Budget Account Manager may have already performed this task for you.
2. Navigate to page: <https://my.fsu.edu> > "FI" > Main Menu > Internal/Auxiliary Requisition as shown below:

3. You will land on the **Requisition Settings** page. Click the magnifying glass to the right of the “Supplier” field to look up your supplier.

- 4. Search for your supplier. All internal suppliers will begin with "AUX." Type "AUX" in the Supplier ID field and select "Find." The search results will show a list of internal suppliers. Select the appropriate supplier.
  - a. You must enter a supplier that begins with AUX. For this requisition, the appropriate supplier is:
    - i. **AUX0000050 FSU Facilities**
