

# OMNI Auxiliary AR/Billing: Psychology

## Placing an Order

All orders are placed with the appropriate Director using the auxiliary’s approved form. For more information, please visit [Department of Psychology Website](#). Please be aware that a Purchase Order serves to encumber funds & enable internal charges. **A Purchase Order does not serve to place an order with this or any selling auxiliary.**

## Creating a Requisition

This requisition is very much like other blanket purchase orders departments are accustomed to. Review the below step-by-step guide to ensure the appropriate vendor & categories are selected.

1. Determine your requisition amount as described separately on the [Controller’s Office Auxiliary Services training materials page](#). Your department’s Budget Account Manager may have already performed this task for you.
2. Navigate to page: <https://my.fsu.edu> > “FI” > Internal/Auxiliary Requisition > Requisition as shown below:

- You will land on the **Requisition Settings** page. Click the magnifying glass to the right of the “Supplier” field to look up your supplier.
