

OMNI - Auxiliary AR / Billing - Warehouse Rental

Creating a Requisition

This requisition is very much like other internal auxiliary open-ended purchase orders departments are accustomed to. Review the below step-by-step guide to ensure the appropriate vendor and categories are selected.

1. Determine your requisition amount as described separately. Your department's Budget Account Manager may have already performed this task for you.
2. Navigate to page: <https://my.fsu.edu> > "FI" > Internal/Auxiliary Requisition > Requisition as shown below:

- You will land on the **Requisition Settings** page. Click the magnifying glass to the right of the “Supplier” field to find your supplier.
